

MUSIC THAT MAKES AN IMPACT

ABOUT ME

As a worship musician from Cleveland, Ohio, Zacharias has been dedicated to the art of music for over 20 years. With a background in classical piano and a series of vocal lessons from Italian classical artist Andrea Soncina, Zach brings a unique perspective to contemporary worship music.

In December 2018, Zacharias accepted a three-week Christmas tour gig with Christian music group Avenue, which inspired a passion for traveling and sharing talents with the larger body of Christ. As a licensed minister, Zach is also passionate about speaking in churches and utilizes his live events to encourage deep reflection on faith.

Married to Megan and the proud owner of two dogs, Zacharias continues to share their musical gifts with the world. With a talent for re-arranging contemporary melodies and incorporating subtle gospel undertones, Zach puts a special emphasis on the powerful lyrics of his music. He is always striving for excellence and is excited for what the future holds in his career.
